

## Great Service!

That's how we got our 99% Customer Retention Rate.

You've always heard from your colleagues how fast, easy, and reliable topsOrtho™ is, but combine those wonderful traits with the best service in the business, and people will take notice.

Great service means a fast response to your every need. It's knowing we stand by day or night to keep your practice running smoothly. It's our continuous system monitoring. It's our intensive training; your staff members will become topsOrtho Superheroes. It's the passion and dedication of team tops. Every member of our support team has worked in practices and understands the sense of urgency your staff has when they need an immediate answer to a question. We can relate to your day-to-day routine.

We use great service to deliver your staff the fast, easy, reliable superpowers that elevate your team to Superhero status!
